## MASTERLOCK 3685 LOCK

---

Summit lockers offers the Masterlock 3685 electronic lock as a factory installed option. These locks are able to come pre-installed when ordered from Summit Lockers.

### Lock Features

- Large icons clearly show locker vacancy status
- High-visibility display provides interactive feedback
- Option to switch between single-user and multi-user settings and set code length to 4, 5 or 6 digits
- A single CR123A 3V lithium battery lasts longer to help minimize maintenance
- A low-battery alert notifies administrator when it's time to replace the battery
- 9V battery backup jump port can temporarily power the lock if battery dies
- High-gloss keypad allows users to easily create personal codes
- Sensors provide visual & audible alerts to signal if locking mechanism is blocked
- Unique Backup Master Code or Administration Key (Model number: 1566) allow for administrative access to locker
- Ability to turn sound on/off
